If you are not knowledgeable about international shipping procedures you can use a freight forwarder to move your goods. A forwarder will have extensive knowledge of documentation requirements, regulations, transportation costs and banking practices in Mexico.

Find freight forwarding companies to help you transport your goods to Mexico via the British International Freight Association (BIFA) at: [www.bifa.org/home](http://www.bifa.org/home), or the Freight Transport Association (FTA) at: [www.fta.co.uk](http://www.fta.co.uk).
